MOTION FOR EXTENSION OF TIME

On April 11, 2005, the Satellite Industry Association ("SIA") filed a Petition for Reconsideration ("Petition") of the waiver granted in the above-captioned proceeding.¹ Oppositions to SIA's Petition were due on or before September 1, 2005,² and WiMedia Alliance ("WiMedia") has filed an opposition ("Opposition") both to SIA's Petition and to a Petition for Reconsideration filed by Cingular Wireless, L.L.C. ("Cingular").³ SIA, pursuant to Section 1.46 of the Commission's rules,⁴ hereby requests an extension of time, through and including September 23, 2005, to reply to WiMedia's Opposition.

SIA's request is supported by good cause. The engineer with principal responsibility for preparing SIA's reply is on vacation (and will be out of the country) until the middle of next week. An extension is required to ensure that SIA has the time needed to prepare a thorough reply, which in turn will allow for the development of a more complete record and facilitate the Commission's decisionmaking in this matter.

¹ See *Petition for Waiver of the Part 15 UWB Regulations Filed by the Multi-band OFDM Alliance Special Interest Group*, Order, FCC 04-352 (Mar. 11, 2005).

² See Federal Register, vol. 70, No. 158 (Aug. 17, 2005) at 48421.

³ In the Matter of *Petition for Waiver of the Part 15 UWB Regulations Filed by the WiMedia Alliance*, Opposition to Petitions for Reconsideration, ET Docket No. 04-352 (filed June 30, 2005) ("Opposition").

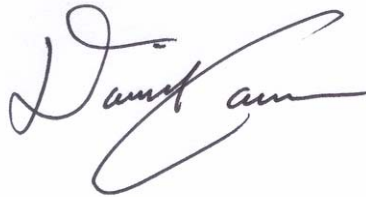

⁴ 47 C.F.R. § 1.46.

Pursuant to Section 1.46(c), SIA has orally notified counsel for WiMedia, as well as the Commission's Office of Engineering and Technology staff, of this motion.⁵ Counsel for WiMedia has authorized the undersigned to state that WiMedia will interpose no objection to this extension request.

Accordingly, and for good cause shown, SIA respectfully requests an extension of time, through and including September 23, 2005, by which to reply to WiMedia's Opposition to SIA's Petition for Reconsideration.

Respectfully submitted,

SATELLITE INDUSTRY ASSOCIATION

⁵ Out of an abundance of caution, SIA also respectfully requests a waiver of the requirement in Section 1.46(b) of the rules that extension requests be filed at least seven days before the filing date. It appears that this requirement is inapplicable here, because it is limited to "filings in rulemaking proceedings."
